make up for missed work, or to change work assignments in order to facilitate the observance of the religious holy day.

### **§ 548.19 Pastoral visits.**

If requested by an inmate, the chaplain shall facilitate arrangements for pastoral visits by a clergyperson or representative of the inmate's faith.

(a) The chaplain may request an NCIC check and documentation of such clergyperson's or faith group representative's credentials.

(b) Pastoral visits may not be counted as social visits. They will ordinarily take place in the visiting room during regular visiting hours.

### **§ 548.20 Dietary practices.**

(a) The Bureau provides inmates requesting a religious diet reasonable and equitable opportunity to observe their religious dietary practice within the constraints of budget limitations and the security and orderly running of the institution and the Bureau through a religious diet menu. The inmate will provide a written statement articulating the religious motivation for participation in the religious diet program.

(b) An inmate who has been approved for a religious diet menu must notify the chaplain in writing if the inmate wishes to withdraw from the religious diet. Approval for an inmate's religious diet may be withdrawn by the chaplain if the inmate is documented as being in violation of the terms of the religious diet program to which the inmate has agreed in writing. In order to preserve the integrity and orderly operation of the religious diet program and to prevent fraud, inmates who withdraw (or are removed) may not be immediately reestablished back into the program. The process of reapproving a religious diet for an inmate who voluntarily withdraws or who is removed ordinarily may extend up to thirty days. Repeated withdrawals (voluntary or otherwise), however, may result in inmates being subjected to a waiting period of up to one year.

(c) The chaplain may arrange for inmate religious groups to have one appropriate ceremonial or commemorative meal each year for their members
